

# DELIGHTING IN GOD

A **DELIGHT** THAT  
MATTERS BOTH **NOW**  
AND FOR **ETERNITY**

## 5 VIDEOS

For many people, life is one big puzzle. So is understanding the nature of God, why He cares enough to send His Son, and what this means for us.

The 5 Videos described here (see the QR code on the back page) will provide answers to these questions by looking at:

- The Biblical revelation of God as 3 in 1.
- Pure love defines the relationship of the 3.
- How despite our rebellion, the Father sends His son, Jesus to reveal what it means to be made in God's image.
- How Jesus pays the price for our rebellion and God sends the Holy Spirit to live within us.
- How we are to respond to this great act of love and enjoy God.

The hope is that you will not only see the amazing beauty of God, but also delight in Him.

If you have yet to accept the offer He is making to you, our prayer is you will comprehend the love He has for you and accept His offer. An offer of complete forgiveness and a relationship with the God of the universe both for now and through eternity.

“Delight yourself also in the LORD and He shall give you the desires of your heart.”

- Psalm 37:4

## PART 1 GOD REVEALED

Mark's Gospel uniquely reveals God at the baptism of Jesus when God the Father speaks and the Holy Spirit descends in the form of a dove. This unique revelation by God of himself as 3 persons in one, the Trinity, is one of great beauty and purpose.

## PART 2 GOD IS LOVE

This video explores Jesus' bold statement that the Father loved the Son from eternity. The significance of this love extends to humanity that is created in God's image. Just as we desire intimacy in human relationships, so God likewise made us to have a loving relationship with Him.

## PART 3 THE FATHER SENDS JESUS

The rebellion of mankind has destroyed this loving relationship, resulting in a self-centered love within humanity that is destructive. This rebellion is deserving of eternal punishment in Hell. Jesus reveals what a perfect image of God looks like and prepares a rescue plan.

## PART 4 JESUS PAYS THE PRICE

Jesus is crucified paying the ransom for our rebellion so that humanity can be reconciled to God and rescued from eternal punishment. Jesus willingly took on our sins, enduring separation from the Father. Through His resurrection, God offers salvation as a gift and sends His Holy Spirit to those who believe.

## PART 5 OUR RESPONSE

God calls for a personal decision to accept His forgiveness through Jesus. God then transforms our heart through giving us the Holy Spirit. Our relationship with God is restored and obeying Him becomes a delight, rather than a chore. Only God the Trinity provides such a salvation.
